

Professional Development

Magazines Canada provides a comprehensive range of high quality, nationally delivered educational programs designed to provide professionals from all areas of the business with the tools they need to succeed. From weekend seminars to week-long schools, all training events allow participants to expand knowledge, make important contacts, receive expert advice and stay on top of industry trends. Members always benefit from discounted registration and other exclusive privileges.

Join Canada's magazine industry at MagNet, the country's key professional development and policy conference, presented by CAA, CMC, CSME, EAC, Magazines Canada and PWAC. Luncheons, seminars, networking, award ceremonies, receptions and dinners—it's all there.

MagNet: Canada's Magazine Conference
